Please indicate if you are happy to be included in these. They may be used in future VCF newsletters and publicity, and in articles sent to the Veterinary Press.

2. A list of delegates names, email addresses and university of graduation are provided to those attending. Please indicate if you are happy to be included in this list.

3. As previously, we will add your chosen hobby to your name badge to help folk get to know one another. Please include your chosen hobby in the form overleaf.

4. Parents will need to complete a “Parents form” before children will be allowed to be left with the CYP worker. This will be provided in your envelope on arrival at the conference.

5. If you do not currently receive the VCF Newsletters, or are not a member of VCF and would like to be included, please tick here. We are unable to remain in contact with you if not.

*Please note the Hayes Conference Centre only accepts Assistance Dogs.*
